14	Describe the organizational action and, if applicable, the date of the action or the date against which shareholders' ownership is measured for the action ► The above-named issuer was completely liquidated on September 29, 2016, wherein all of the shares of the Fund were redeemed in

After the transaction and the recognition event, the shareholder will no longer own any shares or have any tax basis in the shares. Gain or loss realized on shares may be treated as a taxable event. Shareholders should contact their tax advisors regarding the specific circumstances surrounding their shares subject to this organizational action.
